Well we have had a different month this month. With the weather changes our riders have dropped off. We have had our breakfast runs in cars, trucks, and vans rather than two and three wheelers. But we still meet and have breakfast, and enjoy the camaraderie.

Some of the riders are starting to meet at 5 PM on Tuesday evenings at the corner gardens for tacos. If you wish, join them at that time.

We do not have any particular rides scheduled in the near future as weather is a deciding factor.

We also have learned that "Jetson" is recovering from a mild stroke. Our prayers go out to him for a speedy recovery.

To all of our Texas members ----- you bet we are thinking of you riding in warm weather.

Keep the right side up, and everyone have a Merry Christmas.
